.....

It is the occasion that renders significance to the gathering and today we are here together for a formal send off for My Lord Hon'ble Justice Shri Sunil Kumar Sinha.

My Lord has been associated with us since the dawning of the State of CG and his professional contribution has been sententious to propel him to a distinguished post of the Judge of the High Court of the State of Sikkim.

Ever since my professional interaction with His Lordship as a lawyer, I found him calm and composed, the quality which I used to admire and what added my respect for him as Hon'ble Judge witnessing him while deciding the cases and the realization of abysmal depth of his legal knowledge and wisdom.

The reason he stands tall in the eyes is attributable to his confidence and approach in deciding any matter.

What made him exceptional and unique is his candidness and

thrust for excellence.

His efforts paved ways for new heights and dimensions as he constantly guided the lawyers what is sharps and trebles of law in his own specialized manner.

This makes us, the lawyers, argue the cases without nervousness and anxiety in his Court room. His clemency has won the admiration and appreciation of not only the recipients of justice but also the legal fraternity.

Knowledge and wisdom is not limited and confined to any geographical region or person. It is hard work of the hungry soul who constantly sows the seeds of learning.

Today I am sure that people of Ambikapur will take pride that the son of their soil would take a shine to the High Court of Sikkim where he would illuminate with brilliance.

The echo begins at a certain point of time and it continues to reverberate the air long after the source of sound has ceased.

Such has been the impact of My Lord Hon'ble Justice Shri Sinha who will be leaving us today with an echo effect that will remind us of his persona forever.

I, on behalf of Union of India and its counsel, convey and express the gratitude for all the faith and trust you have bestowed upon us and guided us towards excellence.

Your journey of accomplishment will continue to inspire us to

achieve heights. At this closure of your association with us, we bid you and your family good tiding for your onward Odyssey in the State of Sikkim.

“Shubhaste Panthanah Santu”

May your roads be auspicious.
