IMPORTANT INSTRUCTIONS

1. Syllabus for Skill Test for the post of Software Engineer is as below :-

Software Engineer

Software Engineer	Programming knowledge of PHP Database : Postgres SQL Clustering System Software (Linux) and Application Software System Software (Linux), Shell Script. (Total Marks for Skill Test : 50 Marks)
--------------------------	--

Exam Pattern

Post	No. of Questions	Total Marks
Software Engineer	26 Questions of 1 mark each 12 Questions of 2 mark each	50 Marks

The Unreserved candidates shall have to secure minimum 50% marks and S.C., S.T. & O.B.C. category candidates shall have to secure minimum 40% marks for qualifying the skill test mentioned above.

The merit list of qualifying candidates will be prepared on the basis of total marks obtained by them in written examination and skill test and according to merit 01:03 candidates will be called for interview in each category.

The select lists will be prepared on the basis of total marks obtained by the candidates in the respective written, skill test & Interview.

2. The candidates candidature is purely provisional, hence, prior to appearing the above tests, he/she must ensure that he/she fulfills all the eligibility criteria as published in advertisement & concerned recruitment rules. In case it is found that candidate suppressed or given any wrong information, or does not fulfill the eligibility criteria, his/her candidature will be cancelled at any stage of recruitment or appointment.
3. The candidate is not required to bring his/her original testimonials at the time of skill test. The documents verification will be done at the time of interview and if the documents are not found in order, his/her selection/ appointment will be cancelled.
4. Being in the list of eligible candidates and issuance of admit card does not mean that the candidate is eligible in all respect.
5. The candidate will have to make his/her own arrangements for travel, transportation, stay, lodging and boarding etc.
6. The candidate is required to show his/her admit card.
7. The candidate must bring blue ball point pen and pencil.
8. Candidate will not be admitted for the exam if he/she reports at the center after the reporting Time.
9. The date & time of Skill Test can be changed in case of any exigency.
10. The candidates are not allowed to bring cell phone or any electronic device in the examination hall.
11. All the candidates are required to follow strictly the above instructions and all such instructions given by the In charge / head of center / Invigilator from time to time.
12. Please do not write anything extra (Sign, mark, symbol, any things suggestive of identification) in your answer sheets except what is asked for otherwise your candidature shall be disqualified.
13. Use of any unfair means shall disqualify the candidature in addition to other action required to be taken.

Instructions regarding exam:-

1. The clock has been set at the server and count down timer at the top right corner of the screen will display left out time.
2. To go to a question, click on the question number in the Question Palette on the right-hand side of the screen.
3. Click one of the answer option buttons to select your answer.
4. To change an answer, simply click the desired option button.
5. Click on SAVE & NEXT to save the answer before moving to the next question. The next question will automatically be displayed.
6. The color-coded diagram on the right side of the screen shows the status of the questions

Green: Indicates total attempted questions.

White: Indicates total Not attempted questions.

Red:Indicates the current question.

Blue: Indicates attempted and reviewed questions.

Violet: Indicates Not attempted and reviewed questions

Only the answered questions (saved) will be considered for calculating the final score.
7. When the time left becomes 0, then your assessment will be submitted by default, and you will not be able to make any changes.
8. Do Not PRESS any keyboard key once the examination is started. This will LOCK your examination. You can contact with the examination invigilator to unlock and continue giving the examination.
9. If there is a power failure or network problem while the candidate is attempting the exam, the Candidate can log in again after the problem is resolved and continue the Examination. Candidate will be allocated the remaining time and the remaining un-attempted questions.
10. After the candidate starts the examination it will end automatically after the stipulated time elapses provided the candidate must be logged in to the examination system during the time elapses.
11. Candidate is required to be seated for the complete duration of the exam.
12. Once the examination time is up, she/he will not be able to attempt it again.
13. Candidate needs to complete the examination in the mentioned time only. Extension in time is not allowed.

IMPORTANT INSTRUCTIONS

1. Syllabus for Skill Test for the post of Software Engineer is as below :-

Software Engineer

Software Engineer	Programming knowledge of PHP Database : Postgres SQL Clustering System Software (Linux) and Application Software System Software (Linux), Shell Script. (Total Marks for Skill Test : 50 Marks)
--------------------------	--

Exam Pattern

Post	No. of Questions	Total Marks
Software Engineer	26 Questions of 1 mark each 12 Questions of 2 mark each	50 Marks

The Unreserved candidates shall have to secure minimum 50% marks and S.C., S.T. & O.B.C. category candidates shall have to secure minimum 40% marks for qualifying the skill test mentioned above.

The merit list of qualifying candidates will be prepared on the basis of total marks obtained by them in written examination and skill test and according to merit 01:03 candidates will be called for interview in each category.

The select lists will be prepared on the basis of total marks obtained by the candidates in the respective written, skill test & Interview.

2. The candidates candidature is purely provisional, hence, prior to appearing the above tests, he/she must ensure that he/she fulfills all the eligibility criteria as published in advertisement & concerned recruitment rules. In case it is found that candidate suppressed or given any wrong information, or does not fulfill the eligibility criteria, his/her candidature will be cancelled at any stage of recruitment or appointment.
3. The candidate is not required to bring his/her original testimonials at the time of skill test. The documents verification will be done at the time of interview and if the documents are not found in order, his/her selection/ appointment will be cancelled.
4. Being in the list of eligible candidates and issuance of admit card does not mean that the candidate is eligible in all respect.
5. The candidate will have to make his/her own arrangements for travel, transportation, stay, lodging and boarding etc.
6. The candidate is required to show his/her admit card.
7. The candidate must bring blue ball point pen and pencil.
8. Candidate will not be admitted for the exam if he/she reports at the center after the reporting Time.
9. The date & time of Skill Test can be changed in case of any exigency.
10. The candidates are not allowed to bring cell phone or any electronic device in the examination hall.
11. All the candidates are required to follow strictly the above instructions and all such instructions given by the In charge / head of center / Invigilator from time to time.
12. Please do not write anything extra (Sign, mark, symbol, any things suggestive of identification) in your answer sheets except what is asked for otherwise your candidature shall be disqualified.
13. Use of any unfair means shall disqualify the candidature in addition to other action required to be taken.

Instructions regarding exam:-

1. The clock has been set at the server and count down timer at the top right corner of the screen will display left out time.
2. To go to a question, click on the question number in the Question Palette on the right-hand side of the screen.
3. Click one of the answer option buttons to select your answer.
4. To change an answer, simply click the desired option button.
5. Click on SAVE & NEXT to save the answer before moving to the next question. The next question will automatically be displayed.
6. The color-coded diagram on the right side of the screen shows the status of the questions

Green: Indicates total attempted questions.

White: Indicates total Not attempted questions.

Red:Indicates the current question.

Blue: Indicates attempted and reviewed questions.

Violet: Indicates Not attempted and reviewed questions

Only the answered questions (saved) will be considered for calculating the final score.
7. When the time left becomes 0, then your assessment will be submitted by default, and you will not be able to make any changes.
8. Do Not PRESS any keyboard key once the examination is started. This will LOCK your examination. You can contact with the examination invigilator to unlock and continue giving the examination.
9. If there is a power failure or network problem while the candidate is attempting the exam, the Candidate can log in again after the problem is resolved and continue the Examination. Candidate will be allocated the remaining time and the remaining un-attempted questions.
10. After the candidate starts the examination it will end automatically after the stipulated time elapses provided the candidate must be logged in to the examination system during the time elapses.
11. Candidate is required to be seated for the complete duration of the exam.
12. Once the examination time is up, she/he will not be able to attempt it again.
13. Candidate needs to complete the examination in the mentioned time only. Extension in time is not allowed.
